Sir:

Abbott Cardiovascular Systems Inc. ("Applicant"), acting through its duly authorized attorney, filed an application for extension of the term of U.S. Patent No. 5,514,154 on December 28, 2011 ("the PTE application") via Express Mail (Express Mail No. EI 124730639 US). Five copies of the PTE application, including Exhibits A-I, were included in that Express Mail filing. Due to a clerical error with the previously-filed Exhibit F, Applicant hereby submits five copies of replacement Exhibit F, and respectfully requests that the Exhibit F in each of the five copies of the PTE application as originally filed be replaced with the replacement Exhibit F enclosed herewith. Applicant also notes that the first page of the PTE application includes a typographical error in its recitation of the recordation date of the assignment recorded at Reel 007186, Frame 0565, which was attached to the PTE application as Exhibit A. As noted in the originally filed Exhibit A, the assignment was recorded on October 28, 1994. The PTE application as originally filed is incorporated by reference herein in its entirety.

No fee is believed due in connection with this submission. If, however, any fee is required, please charge the fee to the Deposit Account 02-4377.

Respectfully submitted,
